

Snapper School I.D. Cards are all go!

April 30th, 2009

GO
WELLINGTON

- **Get the child discounted fare on all GO Wellington Buses**
- **Register on-line to protect your card if it is lost or stolen**

The Snapper School ID card used here for illustration purposes is the Wellington Girls' College ID.

Cheaper on bus than paying by cash

All students with a Snapper School ID card can now use them on GO Wellington buses. Snapper School ID cards are the first Snappers in Wellington to get the GO Wellington child fare discount automatically.

Currently the Go Wellington discount is 25% off the cash price of a single child fare.* From 1 June 2009 the discount is being changed to 20%.

* The discount does not apply to the special inner city \$1 fare and After Midnight service fares. Special event and promotion fares may be excluded from the discount. Go to www.gowellingtonbus.co.nz

Feeding your Snapper

Your Snapper doesn't have money on it until you feed it.

- Feed your Snapper at a Snapper Merchant – see the list here, or visit our website. Pay by EFTPOS or cash to feed your Snapper School ID Card. This amount less 25 cents will be fed onto your card. So if you pay \$20.00, \$19.75 will be available on your card for immediate use.
- You can also feed on-line using a credit card with a Snapper Feeder which plugs into your USB port. Feeders can be bought by phoning 0800 555 345. You'll need to check that you've got the right Snapper compatible software.

Bus Passes

If you are a bus pass user, there is no change to the Bus King pass. Simply present it to the driver as you normally do.

Child ten trip tickets are still available at this time.

Safer than cash or a 10 trip ticket

To help protect the money on your card, Snapper has introduced hot-listing for all registered Snappers. Now, if you lose your registered card we can hot-list it for you and it will be de-activated. We'll send out a hot-list of lost and stolen cards, to all Bus Readers and retail terminals. If someone else tries to use your card, it'll be declined once the terminal gets this hot-list message. Please note that there may be a delay before the hot-list gets to every terminal and Bus Reader, it is not instant. After 3 business days we'll check the balance on your card and transfer the remaining funds onto a new Snapper. If your card is lost or stolen you will need to re-order new Snapper School ID card through your school.

Snapper-safe your card now!

If you have a Snapper School ID **you MUST Register your Snapper**. Visit www.snapper.co.nz and click on the register button. Follow the instructions. Once you've registered your Snapper, you'll have greater protection should you lose it. You can also check your transactions on-line.

Tag on and tag off the bus with your Snapper

- Tag on to the bus**, by holding your Snapper School ID card flat and still to the Bus Reader. Watch for the green circle – it means you've tagged on correctly, and the minimum fare is deducted from your Snapper.
- Remember to tag off** as you exit to be accurately charged for the distance you have travelled. If you forget to tag off when you exit the bus, you will be charged the maximum child cash fare for that route.

Check your balance – if it is running low, the Bus Reader will show the amount remaining on your card.

Any questions? Check our FAQs on www.snapper.co.nz or call 0800 555 345

How to snapper your snacks, lunch and essentials

Your Snapper School ID Card can also be used to buy anything where Snapper is accepted. It's quick and easy - you don't even need a PIN.

Once the Retailer has entered in your purchase, simply hold your Snapper to the Reader for a moment and the payment is made by deducting the correct amount from the card. A green circle will show that the purchase was successful.

If you haven't got enough money on your Snapper, or not held it close enough or still enough to the Reader it will show a red cross.

It'll also show a red cross if a Snapper has been hot-listed.

The Snapper Reader will tell you everything you need to know about the value on your Snapper. At a glance you can see the purchase amount and the balance on your card before and after the transaction.

Here's the up to date list of Snapper Merchants where you can feed your Snapper School ID card and use it to pay for everyday snacks, lunches and essentials.
