ENROLMENT QUESTIONNAIRE

The Education Act gives a guarantee of enrolment to students who live in the home zone specified in the College's enrolment scheme. The Board needs to be sure that an in zone address is genuine, because it is required to manage the enrolment scheme for the benefit of local students.

STUDENT'S NAME

1 What will be the address of the student's permanent place of residence when the College opens for instruction next year?

2 Will the student be living at this address for at least 24 months after the College opens? Yes No

IF THE STUDENT WILL BE LIVING WITH HIS PARENT/S OR LEGALLY APPOINTED GUARDIAN/S:

3 Have you lived at this address for more than one year? Yes No

4 Do you intend to live permanently at this address (for the next 24 months?) Yes No

5 Do you own the property? Yes No

6 If you are the guardian, do you have documentation showing legal guardianship? Yes No

7 If separated/divorced, do you share custody? Yes No N/A

IF THE STUDENT IS IN THE CARE OF A GUARDIAN:

8 I confirm that _____, is my son's guardian and will have the primary duty of care and therefore should be the College's first contact in matters related to discipline and progress at the College. Yes No

9 How long has this arrangement been in place? _____ Years _____ Months

10 Is it a permanent arrangement? Yes No

11 What is the reason for this arrangement?

12 What is your home address?

If any issues arise from the above information, the Board may wish to interview you to ensure the genuineness of the application. If your application for enrolment is declined, you may appeal the Board's decision by asking the Ministry of Education to direct the Board to enrol the student; application forms are available from the Ministry's local office. (Ref: Education Act s11.O, 11.OA and 11.P).

The Ministry of Education has advised that parents should be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in zone living arrangement which they intend to be only temporary, for example:

- Renting accommodation in zone on a short-term basis; or
- Arranging temporary board in zone with a relative or family friend.

The College may actively collect information to ensure that enrolment data provided is accurate.

If the College learns that a student is no longer living at the in zone address given at the time of application for enrolment, and has reasonable grounds to believe that a temporary in zone residence has been used for the purpose of unfairly gaining priority in enrolment at the College, then the Board may review the enrolment. Unless the parents can provide a satisfactory explanation within 10 days, the Board may annul the enrolment. This course of action is provided for under Section 11.OA of the Education Act 1989.

The address given at the time of application for enrolment must be the student's usual place of residence when the College is open for instruction. From time to time, parents who live outside the College's home zone submit enrolment applications that incorrectly claim residence in the zone. Dishonest applications could constitute offences under the Crimes Act. For example, using a forged document, such as a doctored tenancy agreement, is a crime.

DECLARATION

I/we confirm that the information contained in this enrolment application and enrolment questionnaire is true and correct in every respect and my/our son (ward) shall be subject to all rules, regulations and expectations of the College as stated in the prospectus.

The address which I/we have provided to the College will be the usual place of residence of _____ (student's name) when the College is open for instruction next year, and I/we intend to live at this address permanently. I/we confirm that I/we will advise the College if for any reason there is a subsequent change of address.

I/we also agree to give the earliest possible advice to the College of a decision to withdraw this application.
